

1ST April 2024

# Divine Care Ministries

QUARTERLY NEWSLETTER

And your children will be  
taught of the Lord, And  
great shall be their peace.

Isaiah 54:13

# DIRECTORS' REMARKS

Greetings in the name of our Lord Jesus Christ. It is always a pleasure to share with you the wonderful things God has done. In this quarter, we have seen God build buildings, people being discipled, we have preached the gospel, children have gone to school, staff members have been trained and 2 missionary teams from the USA were hosted successfully. Surely, God has been good to DCM.

We pray that as you read this newsletter, the Holy Spirit blesses you with a deep appreciation for your support because you are an integral part of the mission. At all DCM centers, we pray for you always.

As we continue to meditate on the Easter season and the immeasurable love of Christ, we pray that His resurrection power will manifest in all aspects of your lives. We love you and look forward to our continued partnership in transforming children, communities and reaching the unreached.

**PETER & PHOEBE SOZI**

# WORK HARD PLAY HARD....

*Work without  
play makes  
Jack a dull  
boy...*

By the grace of God, Divine Hope was able to install a playground for the children. We are so thankful to the Dickerson family and everyone who gave towards this project. The children look forward to playing on this new equipment every day and it brings them so much joy. It has greatly enriched their learning experience at Divine Hope. Thank you for making a difference in their lives!

# YOUTH CONFERENCES.

## *From Glory to Glory...*

For the last 15 years, Divine Grace Primary School Rakai has had to make do with substandard classrooms mostly unsuitable for conducive learning. But alas God came through in a big way and the celebration, thanksgiving and joy at the commissioning was unmatched.

Even though the construction wasn't 100% finished, it was timely to launch the block as our partners from the USA were well represented. This development has changed Divine Grace forever and will be a blessing to countless generations that will be impacted through these classrooms. Special thanks to Rehoboth Baptist Church for their generous giving towards this project.

# BOUNTIFUL HARVESTS.

## *We serve the God of Abundance*

This year we had one of our greatest harvests. We had so much corn that we filled almost a whole room up with it. We are thankful to God for His goodness and how He always meets all of our needs. We were able to feed and provide for our students and staff members. We continue to pray and ask God to bless our land, the work of our hands and the fruit of our labor. One of our students who is awaiting University has been such a big help at Divine Farm. We are so thankful for Martins.

# LOKALE LOVE CENTER (NAMALU)

## *Transforming Karamoja one Community at a time ...*

We had our opening ceremony of the Early Childhood Education Center in Namalu, Karamoja. This will allow a place for some of our most vulnerable children in Divine Care Ministries to be able to attend school. Karamoja is home to many of our children who are in great need of resources. We thank God that we have seen such a transformation in the culture and area of Karamoja but still believe Him to do even more than we could imagine by creating more access to education, water and other essential needs.

# GRADUATION AT SO MANY LEVELS.

## *ConGRADulations!*

We are so proud of our most recent graduates! They have all remained faithful to the Lord and put in so much hard work to accomplish their dreams. Without the help of Divine Care Ministries and their personal sponsors, they would not be where they are today. Thank you for your generosity, encouragement, prayers and support in helping raise up the next generation of leaders in Uganda!

## THE DICKINSONS & GREENE FAMILY VISIT

We love when our friends and faithful supporters of DCM get to come and visit Uganda! We had an amazing time visiting Divine Hope and traveling all around Karamoja to see the amazing things that God is doing and the fruit of all that has been invested into that area. These wonderful families brought us so much joy and there was never a dull moment with them!

# MORE HIGHLIGHTS

## CHRISTIAN EDUCATION TRAININGS

Teachers at our schools went through training about how to intentionally incorporate Biblical principles and Christian values into all of their interactions at school. Teachers were encouraged and reminded that every single day they have a congregation sitting in their classrooms so it is vital to instill the right values into them.

## ADMINISTRATORS RETREAT

The administrators in the ministry leading the different departments went away for a three day retreat to plan, strategize, recast vision and pray for the new year. It was an amazing time of reflection, bonding and prayer. These retreats always leave the team energized and ready to take on the new year!
